Addendum

This is the addendum to the V Supplemental Reciprocal Agreement made on Sixteenth day of August, 2006 between the Governor of Karnataka (hereinafter called the "Government of Karnataka") of one part AND the Governor of Goa (hereinafter called the "Government of Goa") of the other part:-

- Parties agree operation of relief buses (of the STUs) in place of the vehicle numbers indicated in the special permits obtained for operating Casual Contract under Section 88 (8) of the M. V. Act and temporary permits due to breakdowns, accidents, repairs, etc.
- Parties agree operation of buses of the STUs on suitable alternative routes in case of road repairs and blockade on routes specified in the Agreement for the convenience of the travelling public.
- The State Transport Authority of the Home State shall be competent to extend the validity of State Carriage permits granted by it to the STUs to the portion of the Inter-State route lying in the

reciprocating State for the routes specified in the Agreements entered into between the States of Karnataka and Goa, under intimation to the State Transport Authority of the reciprocating State and such extension shall for all purposes be valid for a period of thirty days without the need for countersignature granted by the State Transport Authority of the reciprocating State. The State Transport Authority of the reciprocating State, shall, however, in respect of such extension be competent to take action relating to its revocation and suspension as it would have been competent to take, had a counter signature been actually granted by it but for the provisions herein stated.

- The parties agree that in the case of Stage carriages operated by the STUs the buses other than those mentioned in the permit will be allowed to be operated without any objection, without exceeding the total number of trips permitted in the agreement, as it would be difficult to operate the vehicle indicated in the permit in case of repairs, breakdowns, accidents, etc.
